INTERIM CONDENSED FINANCIAL STATEMENTS

30 SEPTEMBER 2014 (UNAUDITED)

REPORT ON REVIEW OF INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF EMIRATES INVESTMENT BANK P.J.S.C.

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Emirates Investment Bank P.J.S.C. (the "Bank") as at 30 September 2014 and the related interim condensed statements of income and comprehensive income for the three month and nine month periods then ended, and the related interim condensed statements of cash flows and changes in equity for the nine month period then ended and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

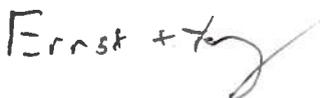

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34.

1 INCORPORATION AND ACTIVITIES

Emirates Investment Bank P.J.S.C. (the "Bank") was incorporated on 17 February 1976 in Dubai, United Arab Emirates by a decree of HH The Ruler of Dubai as Arab Emirates Investment Bank PJSC. In 1999, the Bank was registered under the UAE Commercial Companies Law No. (8) of 1984 (as amended) as a Public Joint Stock Company. The Bank is engaged in the business of private banking, investment banking and investment portfolio management. The address of the Bank's registered office is P. O. Box 5503, Dubai, United Arab Emirates.

The Bank is a subsidiary of Al Futtaim Private Company LLC which holds 52.36% of the shares in the Bank.

2 ACCOUNTING POLICIES

Basis of preparation

The interim condensed financial statements of the Bank are prepared in accordance with International Accounting Standard 34, Interim Financial Reporting.

The interim condensed financial statements do not contain all information and disclosures required for full financial statements prepared in accordance with International Financial Reporting Standards, and should be read in conjunction with the Bank's annual financial statements as at 31 December 2013. In addition, results for the nine months ended 30 September 2014 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2014.

New standards, interpretations and amendments

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Bank's annual financial statements for the year ended 31 December 2013, except for the adoption of new standards and interpretations effective as of 1 January 2014.

The Bank applies, for the first time, certain standards and amendments. As required by IAS 34, the nature and the effect of these changes are disclosed below.

Several other new standards and amendments apply for the first time in 2014. However, they do not impact the annual financial statements of the Bank or the interim condensed financial statements of the Bank.

The nature and the impact of each new standard/amendment is described below:

Investment Entities (Amendments to IFRS 10, IFRS 12 and IAS 27)

These amendments provide an exception to the consolidation requirement for entities that meet the definition of an investment entity under IFRS 10 Consolidated Financial Statements. The exception to consolidation requires investment entities to account for subsidiaries at fair value through profit or loss. These amendments have no impact on the Bank.

Offsetting Financial Assets and Financial Liabilities - Amendments to IAS 32

These amendments clarify the meaning of 'currently has a legally enforceable right to set-off' and the criteria for non-simultaneous settlement mechanisms of clearing houses to qualify for offsetting. These amendments have no significant impact on the Bank.

Novation of Derivatives and Continuation of Hedge Accounting – Amendments to IAS 39

These amendments provide relief from discontinuing hedge accounting when novation of a derivative designated as a hedging instrument meets certain criteria. These amendments have no impact to the Group as the bank has not novated its derivatives during the current or prior periods.

Recoverable Amount Disclosures for Non-Financial Assets – Amendments to IAS 36

These amendments remove the unintended consequences of IFRS 13 Fair Value Measurement on the disclosures required under IAS 36 Impairment of Assets. In addition, these amendments require disclosure of the recoverable amounts for the assets or cash-generating units (CGUs) for which an impairment loss has been recognised or reversed during the period. These amendments have no impact to the Bank.

2 ACCOUNTING POLICIES (continued)**New standards, interpretations and amendments (continued)****IFRIC 21 Levies**

IFRIC 21 is effective for annual periods beginning on or after 1 January 2014 and is applicable to all levies imposed by governments under legislation, other than outflows that are within the scope of other standards (e.g., IAS 12 *Income Taxes*) and fines or other penalties for breaches of legislation. The interpretation clarifies that an entity recognises a liability for a levy no earlier than when the activity that triggers payment, as identified by the relevant legislation, occurs. It also clarifies that a levy liability is accrued progressively only if the activity that triggers payment occurs over a period of time, in accordance with the relevant legislation. For a levy that is triggered upon reaching a minimum threshold, no liability is recognised before the specified minimum threshold is reached. The interpretation requires these same principles to be applied in interim financial statements. This new standard have no significant impact on the Bank.

The Bank has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

5 INVESTMENTS (continued)

The transfers from Level 2 to Level 1 were made as the market in respect of these securities was considered to be active again during the period. Investment under Level 2 fair value hierarchy is valued using latest available asset value. The following table shows a reconciliation of the opening and closing amounts of level 3 investments recorded at fair value:

The Bank has assessed the sensitivity of the fair value measurement of investments under level 3 due to changes in inputs used. Based on the assessment, no major changes in the fair value of investments under level 3 are noted as at 31 December 2013. Such an assessment is performed on an annual basis by observing the changes in unobservable inputs which might result in higher or lower fair value measurement.

9 BASIC AND DILUTED EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the profit of AED 40,951 thousand for the nine months period ended 30 September 2014 (30 September 2013: AED 30,594 thousand) by the weighted average number of shares outstanding during the period of 650,000 of AED 100 each (30 September 2013: 650,000 of shares of AED 100 each).

The weighted average number of shares includes the impact of scrip dividend whereby the shares were issued in April 2014.

The figures for basic and diluted earnings per share are the same as the Bank has not issued any instruments which would have an impact on earnings per share when exercised.

10 SEGMENTAL INFORMATION

For operating purposes, the Bank is organised into two major business segments: (a) Investments which is principally involved in managing the Bank's own investment portfolio and provides treasury services; and (b) Banking Services, which principally manages client's investment portfolio, provides credit facilities, accepts deposit from corporate and individual customers and provides advisory services on corporate finance and capital market transactions. These segments are the basis on which the Bank reports its primary segment information. Transactions between segments are conducted at rates determined by management taking into consideration the cost of funds and an equitable allocation of expenses.

Management monitors the operating results of the operating segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss.
